Sound the Trumpet!

...till around you make the listening shores rebound!

Unquestionably one of the most beautiful and most poetic of English cathedrals, Wells Cathedral provides the magnificent setting for **Somerset Chamber Choir's** joyous **Anniversary Concert**, celebrating **40 years** of glorious music-making. With a distinguished line-up of musicians, this will be a concert sparkling with resplendent jewels of the Renaissance and Baroque.

The Choir, under the dynamic direction of **Andrea Brown**, will be joined by **Florilegium**, one of Britain's most outstanding period-instrument ensembles, and a stunning array of vocal soloists.

Tallis's extraordinary 40-part masterpiece **Spem in Alium**, in a dramatic arrangement featuring cornetts & sackbuts, will form the centrepiece of this very special concert which will also include exuberant music by H Praetorius, JS Bach's dazzling **Magnificat in D**, the soaring lines of Handel's sublime **Eternal Source of Light Divine**, and one of Purcell's most popular works, **Come Ye Sons of Art**.
